

Q - What is the Syracuse Chapter of the New York State Baseball Umpires Association?

A - This is the baseball umpire's group that works all scholastic games in Onondaga County and the surrounding area - from Oswego to Cortland and from Cazenovia to Auburn! We also umpire most of the summer baseball, ages 13 and older.

Q - How much is the pay?

A - Varsity games pay in the \$70's and sub varsity games almost \$50 !

Q - What training will I receive?

A - You don't need any prior training! We have a dedicated group of fellow umpires that will provide training. All you need is the interest and commitment. We've had a whole range of ages; from high school seniors to senior citizens!

Q - When does training start?

A - First meetings are in January. Local indoor facilities are used to start the training. Games start in the spring!

Q - Who should I contact for more information and to get started?

A - Our membership chairman is Don Logana. He has chaired this committee for a number of years and can answer all questions!

Contact Don at: 315-529-4111 or donnybaseball53@aol.com
